

### 1. Freigegebene Waschmittel / Approved washing solutions

KBA gewährleistet bei den freigegebenen Waschmitteln ausschließlich die Materialverträglichkeit bezüglich der Waschanlage und den mit dem Waschmittel in Kontakt kommenden Maschinenteilen. KBA warrants, with the approved washing solutions, only the material compatibility regarding the washing unit and the machine parts coming into contact with the washing solution.

**Produkte, die aktuell noch geprüft werden/ Products that are being tested at the moment**

**Produkte, die mit einem “\*” gekennzeichnet sind enthalten Butylglycol/**

**Products with “\*” include Butylglycol**
