

Material Approved Blanket Washes manroland Goss web systems GmbH – Newspaper Presses

Results are based on a SOP for material resistance and performed by a reference institute.

21.09.2018

Field of application (rating by manufacturer)

W = products marked with “W” are also applicable to wash-up the ink unit

H = products marked with “H” are also applicable to wash-up typical heatset-ink

Approval of washes has to be renewed every 10 years. “Approval valid to” column indicates the date of expiration of the approval.

Please consider that an approval from the manufacturer of the washing-unit is also necessary. Consult its lists.
